

# Conditions of use of the AUSIT e-Bulletin and other AUSIT electronic fora

One of the services provided by AUSIT is access to an on-line forum or bulletin board known as the AUSIT E-Bulletin. As a user of the AUSIT E-Bulletin it is understood that you agree to the following conditions of use. The same conditions shall also apply to all other electronic fora of any sort provided or operated by AUSIT, as well as to communication with any moderator of such fora.

As a user of the AUSIT E-Bulletin you agree to not use the Service to:

1. upload, post, email, transmit or otherwise make available any content that is unlawful, harmful, threatening, abusive, harassing, tortious, defamatory, vulgar, obscene, libellous, invasive of another's privacy, hateful, or racially, ethnically or otherwise objectionable;
2. harm minors in any way;
3. impersonate any person or entity, or falsely state or otherwise misrepresent your affiliation with a person or entity; forge headers or otherwise manipulate identifiers in order to disguise the origin of any content transmitted through the service;
4. upload, post, email, transmit or otherwise make available any content that you do not have a right to make available under any law or under contractual or fiduciary relationships (such as inside information, proprietary and confidential information learned or disclosed as part of employment relationships or under nondisclosure agreements);
5. upload, post, email, transmit or otherwise make available any content that infringes any patent, trademark, trade secret, copyright or other proprietary rights of any party;
6. upload, post, email, transmit or otherwise make available any unsolicited or unauthorised advertising, promotional materials, "junk mail," "spam," "chain letters," "pyramid schemes," or any other form of solicitation;
7. upload, post, email, transmit or otherwise make available any material that contains software viruses or any other computer code, files or programs designed to interrupt, destroy or limit the functionality of any computer software or hardware or telecommunications equipment;
8. disrupt the normal flow of dialogue, cause a screen to "scroll" faster than other users of the service are able to type, or otherwise act in a manner that negatively affects other users' ability to engage in real time exchanges;
9. interfere with or disrupt the service or servers or networks connected to the service, or disobey any requirements, procedures, policies or regulations of networks connected to the service;
10. "stalk" or otherwise harass another;
11. collect or store personal data about other users; or
12. collect and analyse e-bulletin content for personal profit or gain, including for academic or commercial purposes, without the permission of the AUSIT National Council.

13. republish or share any messages outside the forum without the prior permission of AUSIT and the poster(s) of the message(s) to be republished or shared.
14. infringe on any [terms and conditions set out by Yahoo](#) at

<<https://policies.yahoo.com/us/en/yahoo/terms/utos/index.htm>>

Failure to observe these conditions may lead to removal of your access to the e-bulletin.

As part of your membership with our association, you can now subscribe to any of the Yahoo groups below held and moderated by AUSIT. Just send a blank message to the address of whichever of the groups you are interested in and we will do the rest. Many of the language groups regularly carry job opportunities, which you will not be exposed to unless you subscribe. All groups can be set to receive a single summarising message a day by simply sending a message as below (once you have subscribed), replacing the word "subscribe" with "digest".
